

ATTENTION DISABLED VETERANS – 2015 A special note to the Veterans of Flint Township: You may qualify for an exemption on your residential, Homestead Property Tax. You must apply, annually, by submitting the required paperwork (Affidavit, Veteran’s Administration documentation) to the Assessor, William Fowler, at Flint Township. An application is made by submitting a completed Affidavit for Disabled Veterans Exemption prior to the start of the March, July, or December Board of Review meeting dates. For 2015, the December Board of Review may grant the exemption for 2013 if the applicant otherwise qualified for the exemption but didn’t file the affidavit and supporting documentation at the 2015 Board of Review in December.
