

The Flint Township Election Commission has approved the following temporary Precinct Consolidations for the May 2, 2017 Special Election. The consolidation is only for this election. Polling locations have not changed. You will simply go to the polling location listed on your voter registration card. Once at the polling location, you will follow the directions to the precinct in which you reside. For example, if you normally vote at the VFW, once you arrive on May 2, there will only be one precinct set up that will serve both Precinct 6 and Precinct 11. If you have any questions about the upcoming election, please contact Kathy Funk, Clerk, at (810) 600-3214. Your vote is your voice!
